

HOW TO DO BUSINESS WITH US

1 GET CERTIFIED WITH THE CALIFORNIA PUBLIC UTILITIES COMMISSION (CPUC) SUPPLIER CLEARINGHOUSE

- The CPUC Supplier Clearinghouse accepts reciprocal certifications from Women's Business Enterprise National Council, National Minority Supplier Development Council & National Gay & Lesbian Chamber of Commerce. Inquire with the Supplier **Clearinghouse** for more information.

The CPUC Clearinghouse accepts reciprocal certifications from WBENC, NMSDC & NGLCC, inquire with the Supplier Clearinghouse for more information.

- To learn how to become certified as a Disabled Veteran Business Enterprise, visit the **Department of General Services (DGS)** website, procurement division. It explains the process and provides the proper forms.

2 PREPARE

- Research our company

- Visit the **SoCalGas® website**
- Visit the **CPUC website**

- Create a capabilities statement tailored to our needs

• Include the following information:

- Company information, business description, number of years in business, facility location, geographic area covered, experience, previous and current clients you have done similar work for.

3 CONNECT

- Meet us at events

- We participate in outreach events with local, regional, state and national organizations to reach and identify diverse suppliers for potential business opportunities.
- We also hold two boot camps annually, as well as 'Meet the Primes' events. Please contact us for more information.
