Mike, Kristina--

As we mentioned in our February 23rd meeting and subsequently in an email to Mike, we are working diligently towards filing by April 7, 2023 under the new GO-177 process and would advise you promptly if that timing should change.

We have discussed internally about that date and our progress and would like to jump on the phone with you early next week to walk through an update. Are you available for a 20 minute call at any of the below times early next week?

I'm out of the office, but my boss Shivani Sidhar (copied here) and Jeff Salazar will be initiating the conversation. Let me know if one of the below options can work, if not please suggest alternate times and we can try and be flexible.

Thanks,

Monday March 27—anytime from 10am to noon; 1:30; 3:30
